Objective

Motivated B.Tech Computer Science student with a strong foundation in programming, data structures, databases, and web technologies. Seeking an internship or entry-level opportunity with a dynamic, growth-oriented organization to apply my technical skills, contribute meaningfully to real-world projects, and continue building professional competencies.

Education

G. H. Rasoni College of Engineering and Management, Nagpur	2023 – 2027
B.Tech, Computer Science and Engineering	CGPA: 8.79 / 10

Technical Skills

- **Programming Languages:** C, C++, Python
- **Web Technologies:** HTML, CSS
- **Database:** SQL, DBMS (Database Management System)
- **Core CS Fundamentals:** Data Structures & Algorithms (DSA), Object-Oriented Programming (OOPs), Computer Networks (CN)
- **Tools & Platforms:** Git, GitHub, FlutterFlow, VS Code

Projects

College Event Promotion App	<i>FlutterFlow, No-Code Development</i>
GHRCEM	2022 – 2023

- Built and deployed a mobile application for promoting college events using FlutterFlow.
- Designed an intuitive, responsive user interface to improve student engagement and usability.
- Gained hands-on experience with no-code/low-code app development workflows and UI/UX design principles.

Certifications

- *Coordinator Technothon – Awarded certificate for coordinating Technothon Project Competition*

Experience

Fresher – Actively seeking internship and entry-level opportunities to apply and expand technical skills in software development.
